3.0%
DIVIDEND
ON ALL CLASSES OF SHARES

PACE is proud of our strong dividend history.
We are pleased to announce 3.0% Dividend on all classes of shares.

PACE Class A and B Investment Shares plus PACE Membership Shares will be credited with their dividend payment on May 1, 2020.

Building equity in PACE benefits both members and the credit union. If a member opts to leave their membership share dividend in their savings account, PACE will automatically transfer it on May 30, 2020 into their Membership Share. This will ensure that members will not miss out on the compounding of dividends in future years.
