DIVIDEND
ON ALL CLASSES OF SHARES

PACE has a strong dividend history and this year's dividend is the highest paid since 2015.

PACE Class A and B Investment Shares plus PACE Membership Shares will be credited with their dividend payment on June 20, 2019.

Building equity in the Credit Union is good for the Members and the Credit Union. If Members opt to leaving their Membership Share Dividend in their Savings Account PACE will automatically transfer it on July 15, 2019 to their Membership Share. This will ensure that Members won't miss out on the compounding of dividends in future years.
